EQUESTRIAN PROFESSIONALS & COMMERCIAL TRAINING

Equestrian professional is defined as anyone who provides services for compensation, or who provides services under the auspices of a professional. If anyone is using the Mesa County Fairgrounds under these conditions, a professional endorsement must be signed and all qualifications must be met as specified or required.

These requirements include, but are not limited to, Mesa County insurance requirements, certifications, ownership documents, and incorporation papers. If anyone is not able to provide the appropriate documents or meet the requirements, they may not operate as a professional on the premises. Violation of this requirement may result in legal action to the full extent allowed by law.

ARENA GROOMING

Grooming of the arena is handled by Fairgrounds staff only, unless special permission has been granted. Equipment that is not owned by Mesa County shall not be used on Mesa County property without authorization from the Fairgrounds staff.

HELMET POLICY

Helmet or Waiver Required for Kids

All riders age 17 and under must wear a helmet or have a waiver of liability signed by the parent or guardian. Due to the unpredictability in equine behavior, and a concern for the health and well-being of children, the Mesa County Board of Commissioners adopted Resolution MCM-2001-135 requiring the use of equine industry standard helmets. This resolution applies to individual riders and boarders, as well as all organizers, and promoters of equine events. Organizers and promoters shall assure that all participants are in compliance with this resolution. Contact the MCFG office for the Helmet Waiver of Liability.
