

DISCREET. EFFICIENT. FORWARD-THINKING.

Rapid Response: Layoff Assistance

Layoffs are a decision no employer wants to make. When they happen, our team can meet with company leaders *and* impacted workers to provide discreet, no-cost services and information to lessen the negative impact on *everyone*.

Employer Benefits

- Public perception
- Improved company morale
- Lower unemployment costs

We understand the nature of layoffs.

We value confidentiality. Improve public and internal perception by providing impacted staff with information and services to assist with re-employment. Quicker re-employment leads to lower unemployment costs.

Worker Benefits

- Re-employment assistance
- Unemployment Insurance Information
- Education and training

Provide impacted staff with a path to success.

We provide information on Unemployment Insurance and re-employment services including career coaching, job search assistance, resume and interview preparation, and funding for education/training programs.
