

# Participating Mental Health Providers

Crime Victim Compensation Program  
21st Judicial District - Mesa County, Colorado

The mental health service providers listed on this document have agreed to participate with the Crime Victim (CVC) Program. Most of the providers on this list accept our payment as payment in full. However, you should double check with them before starting treatment. Choosing a therapist is a highly personal decision and there are many factors that go into finding the best fit including specialty, personality and scheduling. We recommend you schedule a phone consultation with a perspective provider to help you determine if they are the right fit for you.
