Grand Valley Transit Begins New Pilot Route 12 on October 6

New Route, Try it Out!

Ride GVT Pilot Route 12 Free Through the End of the Year!

See where GVT Route 12 pilot can take you by riding anytime between October 6th and December 31st for free. This new pilot route will connect the West Transfer Center with the North Avenue Corridor giving everyone easy access to schools, parks, services, and countless businesses. Plus, you can catch a bus every 30 minutes on North Avenue where Route 12 and Route 5 overlap.

“We’re all so excited for how this will increase mobility throughout the community and improve access from the West side of the valley back to services and shopping along North Avenue. This will also dramatically reduce many riders’ wait times and hopefully increase the overall usefulness of GVT within our service area.” Tara Flaharty, Mesa County Mobility Manager and GVT Representative

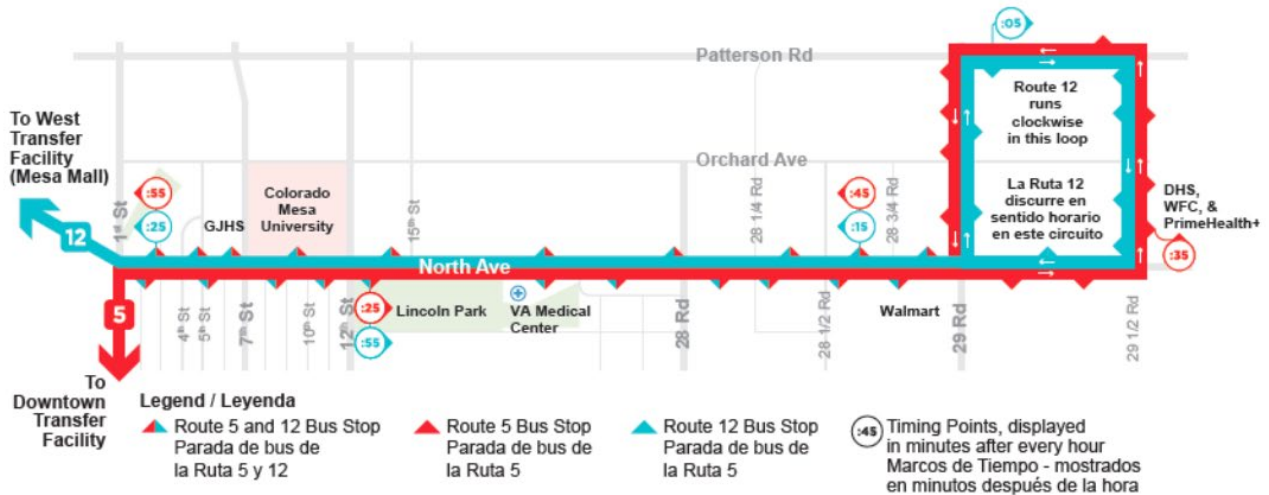

With the release of the new maps for this route, GVT is also updating timing points throughout the system. These updates can be found on the new maps and on our website at gvt.mesacounty.us.

Visit our website or call GVT at (970) 256-7433 for the latest information.

NEW ROUTE, TRY IT OUT!

Route 12 is **FREE TO RIDE**
 October 6 through December 31

See where  can take you!
